Scramble

In a scramble, each player hits a tee shot on each hole. The next shot for the group is taken from the best shot for that group. This process is repeated until the ball is holed.

Shamble

In a shamble, each golfer tees off and the best shot is selected, but from that point, each golfer plays his or her own ball until it is holed out.

Best Ball

In the best ball format each golfer plays his or her ball for the entire hole.

PGA Junior League Jersey

Starting in 2022 this is a one-time fee. The \$99.00 fee covers Jerseys for every season of junior league for the entire year. This is an optional fee, but the majority of our junior golfers choose to get a jersey. Jerseys purchased in the spring are good for the fall. The Jersey kit includes two jersey, hat and swag bag.

New Team Format

Starting in this fall season we would like to try a new format. We have noticed that most weeks junior golfers play with the same pairings. This season we would like to form teams with in each division. Teams are made up of 3 to 4 junior golfers(basically your preferred pairing each week). We will award winners from each division for every week plus an overall winner for the season in each division. In the Scramble division the team score counts. In both the Shamble and Best Ball division the best score on each hole counts. If you are absent a team member you can still compete as long as you have one member for the team ready to play. *** If you are new to the league or unsure of which team to join don't worry we will take care of that for you.

Parents Rule

Junior league golf requires a parent or trusted relative to drive the cart and help their junior golfer. The exception to this rule is for our Best Ball players. They should have enough experience to navigate a Saturday afternoon on their own. All spectators are welcome to come out and watch the kids play. They may walk or pay for the use of a golf car.

Cart Fee: \$10.00

Skill Level/ Yardage Guideline
Par 4 Distance. To help golfers enjoy the game we have multiple junior league tee boxes in play. The corresponding colors will give you an idea of what your junior golfer can expect in terms of how long holes will play.
